3. Select the three line ☰ icon on the top left of the screen:

4. Select the gear  icon on the top right of the screen:

5. Select **My CRM Server**:. Then type <http://crm.banabay.com> in to the **URL Sugar/SuiteCRM**: field:. Then type your user name as **firstname.lastname** in the **Username**: field:. Then type your password in the **Password**: field:. Select **Save**:

A screenshot of a mobile application interface for configuring a CRM server. At the top, there is a status bar showing signal strength, carrier 'O2-UK', time '12:02', and battery level '98%'. Below the status bar, there are two buttons: 'Demo Server' and 'My CRM Server'. An orange arrow points to the 'My CRM Server' button. Below the buttons, there are four labeled input fields: 'URL Sugar/SuiteCRM :' with the value 'http://crm.banabay.com', 'Username:' with the value 'first.last', 'Password:' with a masked password represented by ten dots, and 'Trial Code' with the value 'XXX-XXX-XXX'. Below these fields is a button with a plus icon and the text 'Advanced'. At the bottom, there are two buttons: 'Cancel' and 'Save'. An orange arrow points to the 'Save' button.
